Greetings in the fellowship of our Lord Jesus Christ!

Four years ago, I was given the opportunity and the calling to lead a new church plant on New Chester Road. The vision was confirmed and spoken into by many influential people, including our Foursquare District and Gettysburg Foursquare leadership. The vision for this church was to serve our local community with opportunities that would meet some needs, including those of fitness and wellness.

From the very beginning of the birth of this church plant, our Lord God blessed us with a beautiful and peaceful location for Swift Run Church. This 15-acre property and completed building were integral to the immediate launch of Swift Run. Our Foursquare District and Gettysburg Foursquare leadership acted promptly to turn over the property to us for the ministries of our new church family. We are extremely blessed to have a mortgage-free and rent-free location to use for Kingdom work and serving others.

For the past several months, we've been pursuing final approval for an extended church parking lot and subdivision plans to combine our two parcels into one deed. Upon providing bonding to our governing township authority in April, approval was granted for our proposed land development. We are ready to take the next steps in our vision and present the opportunity for you to have "Faith Paving the Future".

On April 18, we launched a capital campaign to raise support for the many ways we envision using this property to serve our community. The goals of this campaign are to provide funding to develop outdoor recreation with a community playground and a walking-nature trail along with expanding our parking lot. These outdoor features would be open to the public and become a visible means of encouraging individuals and families to connect within our community and with our Creator. This transformation could become a Swift Run Community Park, a place for our community to enjoy for generations to come.

Please prayerfully consider making a commitment to "Faith Paving the Future". We will receive and celebrate our commitments on Sunday, May 30. You can make an upfront gift on May 30 and commit to a six-month pledge of giving for July-December. If you are unable to be with us in-person on May 30, please mail your commitment card at your earliest convenience so we may include your pledge in our celebration that Sunday. I am grateful for your partnership in this vision!

"This will lay a solid foundation for the future, so that they will know what true life is like."
